## IBM CLOUD SERVICES

|              |                                                               |
|--------------|---------------------------------------------------------------|
| Team ID      | PNT2022TMID21185                                              |
| Project Name | Hazardous Area Monitoring for Industrial Plant powered by IoT |

The screenshot displays the IBM Cloud Dashboard. At the top, the 'Dashboard' title is followed by links for 'Edit dashboard', 'Upgrade account', and a 'Create resource' button. Below this, a 'For you' section features a horizontal scroll of six cards: 'Build' (purple background), 'Create a custom dashboard', 'Explore IBM Cloud Shell', 'Build cloud-native apps using IBM Cloud Object Storage', 'Visit the IBM Cloud catalog', and 'Monitor'. Each card includes a brief description and a 'Getting started' button with a duration (3 min, 2 min, 10 min, 1 min, and 'Getting started' respectively). The bottom section contains 'User access' (with a 'Manage users' link), 'News' (highlighting 'TrustRadius Best Software: Five IBM Offerings to Make the List' with a 'View all' link), and 'Planned maintenance' (with a 'View' link).
